RMUC.25

Rent Manager User Conference | San Diego, CA

Hello!

I'm writing to request approval to attend the **2025 Rent Manager User Conference** in **San Diego, California, from October 5th-8th**. RMUC.25 will include three days of seminars, hands-on training, and networking opportunities with more than 1,200 other attendees from across North America. The event offers eight different educational programming tracks, which will enable me to tailor my experience to focus on _____

in the _____ industry.

RMUC.25 will give me an exclusive preview of new Rent Manager features and capabilities and grant me access to sessions to improve our business and utilization of the software. I'll also have the opportunity to meet one-on-one with industry experts, Rent Manager employees, and other property management professionals. Building these kinds of relationships is an irreplaceable experience that can benefit our operation for years.

I'm confident that attending the Rent Manager User Conference will help me better understand how to maximize our Rent Manager usage to make our business more efficient. Beyond the practical software skills I'll gain, I'm looking forward to networking with industry peers and learning how they're tackling today's property management challenges.

Sincerely,

_____
